Employment Opportunities

Intramural Officials: Officials are needed for all team sports. No experience is necessary to become an official, but it is encouraged. Applicants will be taught all necessary rules for each sport through classroom and on-field trainings. Applicants must attend a specific sport's interest meeting as well as all the offered trainings before officiating. All officials will be evaluated and given feedback regarding their performance throughout the season. Interested applicants must attend an Interest Meeting and apply on the TAMU-CC Handshake.

Intramural Supervisors: Intramural Supervisors are responsible for direct supervision of intramural sports participants, spectators, and officials. They must be prepared for policy interpretation, program implementation, on-site decision-making, and conflict resolution. The staff is also responsible for ensuring participant, spectator, and staff safety; including but not limited to field and equipment condition and maintenance. Additionally, all supervisors will assist the Competitive Sports Coordinator and Graduate Assistant with staff training, supervision of sports and events, organizing, planning, marketing and evaluation of the Intramural sports program and its staff. Finally, all employees must provide an enjoyable and service oriented environment for participants at all times.

Intramural Registration

Students can register for all intramural events using IMLeagues. Follow the link below for instruction on how to create an account or visit the Rec Sports website.

Eligibility

Any team found to have an ineligible player will forfeit all wins in which the player participated.

Undergraduate & Graduate Students: Students who are enrolled in the University for **one (1)** or more hours are eligible to compete in the intramural sports program. University Prep students are not eligible for intramurals.

Faculty and Staff Members: Faculty and staff who purchase a Semester or Rec Center Membership are eligible to participate.

Alumni: Alumni who are not associated with the university will not be permitted to participate in any TAMUCC intramural sports.

Intercollegiate Athletes and Former Intercollegiate Athletes: An individual is considered an intercollegiate athlete if they appear on the roster of any NCAA Division team or institution. This includes varsity, junior varsity, reserve team, or an athlete listed on a roster by the university. Any player whose name appears on the athletic roster after the first intercollegiate game will be considered “on the roster” for that academic year. These individuals are ineligible to compete in related intramural sports for one full calendar year from their last scheduled game. Related sports are to be determined by the Coordinator of Competitive Sports.

Example: An individual plays basketball in the 2017-2018 season would not be eligible to play intramural basketball that season as well. This individual would be required to sit out for all 2018-2019 intramural basketball events. Eligibility for intramural basketball would return in the Fall of 2019.

Professional Athletes: Any athlete who would be ineligible for varsity or extramural competition because of professionalism is prohibited from competing in that sport (or related sport) for 5 calendar years from their last professional competition.

Sport Clubs: No Intramural team, in their related sport, shall have more than two (2) club sport members on its roster. Restrictions adhere to Men’s, Women’s and CoRec divisions.

Free Agent Program

Students who wish to play a team sport but are unable to field a full team may sign up as a free agent. This will allow team captains looking for additional players to add the student to their team. If enough students sign up as free agents, a team can be made and added to the league.

I.D. Policy

All participants must show a valid Texas A&M University-Corpus Christi Sand Dollar or use the GetApp in order to check in and participate. **No Sand Dollar = No Play.** If you are caught using a false ID or someone else’s ID you will be suspended from all intramural activities until stated otherwise by the Coordinator of Competitive Sports and the ID will be confiscated. In the instance a participant is not a student, staff, or faculty member, but they are using a TAMU-CC member’s Sand Dollar, they will be escorted from the building or fields and will not be allowed to return. We encourage community members to come and support our participants, but as spectators.

Equipment

The Intramural Sports Program will provide equipment to use for all intramural events. Additional equipment not provided may be checked out at the Dugan Wellness Center or Momentum Fields. Personal equipment used during intramural play must meet each sport’s requirements. The Intramural Department is not responsible for damage to any personal equipment used during gameplay. Captains are responsible for educating their team on equipment restrictions. These regulations can be found in each sport’s rule book on IM Leagues.

Jewelry

No jewelry is allowed during intramural events. Choosing to play with jewelry can result in an ejection from the competition.

Special Events

Special events include one week and one day tournaments offered by the Intramural Sports Program. These events range from outdoor doubles events to video game tournaments. Like regular team sports, participants will need to sign up on IM Leagues in order to participate. All individual/dual events and team tournaments are free.

Team Sports

Team sports are the most popular intramural activities at TAMUCC. These include flag football, basketball, soccer, dodgeball, volleyball, and more. Individuals must create a team on IM Leagues and invite other players to join. Duration of sport seasons will vary in length from weekend tournaments to four week leagues. Leagues will consist of three weeks of regular season and one week of playoffs. Playoff seeding will be determined by record, point differential and sportsmanship.

Forfeit Fee

A team will have a 10-minute grace period from the scheduled game time to arrive with the minimum number of players to avoid a forfeit. At the scheduled game time, the official will start the game clock. If the team is not ready to begin play, the offended team will receive one (1) point per minute, or (1) point per two minutes in soccer. When the late team arrives with the minimum number of players and is ready to begin play, the score will reflect the point(s) awarded and the clock will continue to run. If the team has not arrived after 10 minutes, they will forfeit the game. There will also be a 10-minute grace period for Special Events, but the starting score will not reflect tardiness. Teams that forfeit a game without proper notification (default form) will be assessed a \$10 fee for Team Sports and \$5 fee for Special Events. Team captains will be allowed to finish the current sport he or she is participating in but will not be allowed to compete in future intramural events until the fee is paid. The fee and suspension will be assigned to the captain and will not be lifted until paid in full. Teams that forfeit two games will be removed from the league.

Reschedules, Defaults, and Forfeits

Reschedules: Not all games can be rescheduled. Rescheduling a game is dependent on field/court availability, staff availability, and status of the season. All requests can be rejected by the Competitive Sports Coordinator.

Defaults: Any team knowing in advance that they will be unable to play a regularly scheduled contest is given the opportunity to default a contest. Team captains must complete the online default form by **by 2:00pm for outdoor events and 4:00pm for indoor events**. The default form can be found on the Rec Sports website or IMLeagues. A team that legally defaults a game will receive a loss in the league standings but will not receive a forfeit or fee.

Forfeits: A team will forfeit a contest when:

- (A) a team is not ready to play after the 10 minute grace period
- (B) a team is found to be using an ineligible player
- (C) a team does not have the minimum number of players to start a contest outlined in the rules for that sport.

Inclement Weather Information

Recreational Sports will suspend all play for outdoor practices and/or games when lightning strikes 8-10 miles from our outdoor facility. It will be at the discretion of Recreational Sports staff to wait for lightning to clear and resume play, or cancel the remainder of the activities. When utilizing TAMU-CC Athletic Facilities, Recreational Sports will adhere to TAMU-CC Athletics inclement weather policies.

If an event is cancelled due to weather, the Intramural Staff will contact all team captains via IM Leagues. Participants may also check our social media accounts or call 361-825-2983 for more information. Games cancelled due to weather may or may not be rescheduled.

The possibility of injury exists in all sports. The Department of Recreational Sports/Intramural Sports assumes no responsibility for injuries. However, basic first aid kits will be available upon request of the injured. All participants acknowledge an assumption of risk by their voluntary participation in intramural activities. When a participant is bleeding, has an open wound, or has blood on his or her uniform, the player must leave the game. The injured player may not return to the game until the bleeding has stopped, the open wound covered, and/or the bloody uniform is changed. Play will continue without the injured player. Knee and ankle braces that are unaltered from the

manufacturer's original design/production shall be permitted and do not require additional padding. Please review sport specific rules for additional equipment restrictions and requirements.

All protests must be made by the team captain at the time of the incident to the on duty supervisor. Judgement calls by an official cannot be protested.

Rule Misinterpretation: A team who believes an official misinterpreted or wrongfully administered a rule has the right to protest (judgement calls cannot be protested). The offended team must use a timeout at the next possible opportunity and inform the onsite supervisor of what they wish to protest. If the offended team is correct, a correction will be made to the game. If they are wrong they will be awarded a timeout. A team with no timeouts left will still be allowed to protest. However, if they lose the protest, they will be charged with a sport specific penalty.

Eligibility: A team may protest the eligibility of an opposing team's player before, during, or immediately after an intramural game. The offended team's captain may fill out a protest form supplied by the onsite supervisor. The Competitive Sports Coordinator will determine the eligibility of the accused player. Teams playing with an ineligible player will forfeit the win regardless of the outcome. During the playoffs, eligibility protests must be made prior to the start of the game.
