Intramural Softball will be played by the ASA rules with the following modifications:

**PLAYERS & EQUIPMENT**

- Each participant must present a current Texas A&M Corpus Christi student Sanddollar Card in order to be eligible to participate. Failure to do so will prevent an individual from playing until the ID card is presented.
- Each Men’s and Women’s team shall consist of 10 players. Each team must have a minimum of 8 players in order to begin a game. Any team that begins a game with 8 or 9 players may add players to the bottom of its line-up (to a limit of 10 batters). There will be no ghost outs recorded for a team that starts a game with 8 or 9 players.
- Additional Hitter: Each Men’s and Women’s team may bat a maximum of 11 players by using an additional Hitter (AH). An AH is optional. The AH must remain in the same position in the batting order for the entire game. All 11 players listed in the batting order must bat and any 10 may play defense. Defensive positions may be changed, but the batting order must remain the same. The AH may be substituted for at any time, however, the substitute must be a player who has not yet been in the game.
- Substitutions: All substitutes must notify the Home Plate Umpire and the Scorekeeper upon entering the game. We will permit unlimited substitution (the player must bat in the same position in the line-up at which he/she started the game). The starting player and his substitute may not be in the line-up at the same time.
- Balls: All games shall use a regulation ASA approved 12-inch softball. Intramurals will provide all game balls. However, you must bring your own to warm-up with.
- Bats: All bats must be official softball bats. Any bats not approved for play by ASA or USSSA will not be permitted.
- Shoes: Regulation rubber-soled cleats, plastic cleats, detachable rubber cleats that screw into the shoe, and tennis shoes are the only permissible footwear. Sandals, street shoes, hiking boots, combat boots, or metal spikes are not allowed. No player will be allowed to participate in bare feet. Any player seen wearing metal spikes after the first pitch of the game will be ejected.
- Jewelry: Participants are not permitted to wear any visible jewelry. If participants choose to wear jewelry, it must be completely covered BEFORE arriving at the game site, with a band-aid or athletic tape.
- The Department of Recreational Sports WILL NOT provide band-aids or athletic tape to cover jewelry items. If covered, jewelry must remain flush with the skin and not be protruding out; this is for the protection of all participants.
- Extra Equipment: Players may wear soft, pliable pads or braces on the leg, knee, or ankle. Braces made of any hard material must be covered with at least one-half inch padding for safety reasons. Under no circumstances will a player wearing a hard cast or splint be permitted to play.
- Catchers are required to wear a catcher’s mask! Masks will be provided by IM’s

**GAME FORMAT**

- A game will consist of seven (7) innings or 50 minutes, whichever comes first. No new inning will begin once the 50-minute time limit has expired. Any inning which has been started prior to the time limit expiring will be completed. Championship games will not have a time limit.
- Forfeit: A team must have the minimum number of players to start a game. Teams not ready to play at the scheduled starting time shall be penalized one run for every minute the game is delayed. Teams not ready to
play at ten minutes after the scheduled starting time shall forfeit. “Ready to play” includes having the scorecard filled out and IDs checked. The game clock begins at the captains meeting.

- **Extra Innings**: In the event that the score remains tied after 7 complete innings or 50 minutes, one extra inning will be played. The offensive team shall begin its turn at bat with the player who completed the last at-bat in the previous inning placed as a runner on second base. If the game is still tied after the one extra inning, the contest will end as a tie. In the playoffs, extra innings will extend until a winner has been decided.

- **Run Rule**: If a team is ahead by 15 runs after 4 complete innings (3 1/2 if the home team is ahead), or 10 runs after 5 innings (4 1/2 if the home team is ahead), then the game will be considered complete. The run rule will apply to all games including championship games.

- **Called Games**: In the event of inclement weather or power failure of more than 15 minutes, the following will constitute a complete game:
  - Four innings have been completed (3 1/2 if the home team is leading).
  - The game has reached at least one-half hour in elapsed time.
  - If the game is called due to weather before the time limit (30 minutes) or inning limit (4 innings) has elapsed, then the game will be replayed from the exact point where play was stopped. Teams must keep the same batting order. If play stops due to inclement weather, the final decision will be made by the Supervisor.

**RULES OF PLAY**

- The pitch must be thrown at a moderate speed and must arc at least 6 feet after leaving the pitcher’s hand and no more than 12 feet above the ground. This is an Umpire’s judgment call. A pitch that does not meet these specifications will be considered an illegal pitch. Any pitch that hits any part of home plate is an automatic ball if a batter does not attempt a swing.

- When a batter assumes a natural batting stance, the strike zone is the space over any part of the home plate between the batter’s back shoulder and the batter’s front knee.

- Each batter will assume a 1 ball/1 strike count at the start of every at bat. The batter will walk when the count has a total of four balls. The batter will strike out after three strikes. If a batter’s third strike is a foul ball, one courtesy foul will be allowed. If a batter fouls off a second time on strike three, then he/she will be out.

- Bunting or chopping the ball downward is illegal. This will result in a dead ball, batter is out and all runners return to the base occupied at the time of the pitch.

- Stealing and leading off bases are not permitted. This will result in the runner being called out.

- The infield fly rule will be in effect. An infield fly is a fair fly ball (not a line drive) which can be caught by any infielder with ordinary effort when first and second bases or first, second, and third bases are occupied and there are less than 2 outs.

- **Strike Zone**: The space over any part of home plate, when a batter assumes a natural batting stance adjacent to home plate, between the batter’s back shoulder and front knee.

- **Batter’s Box**: The batter’s box is not lined. If, on a batted ball (fair or foul) a batter steps on home plate, the batter will be called out. If the batter stands too far outside of where a normal batter’s box would be, the official may ask the batter to move.

- **Slide Rule**: Players will be permitted to slide into all bases feet-first, however head-first slides are not allowed. Any player that slides into a base head first will be called out immediately.

- **Extra Innings**: Regular season games can end in a tie. Extra innings will only be played during the postseason.
• **Mercy Rule:** The game shall be over if a team is behind at the conclusion of an inning by:
  - 20 runs at the conclusion of the 3rd inning
  - 15 runs at the conclusion of the 4th inning
  - 10 runs at the conclusion of the 5th inning or later

• **Bunting:** Bunting or chopping the ball is illegal. The application of this rule is a judgment decision by the umpire. By definition, a bunt is a tapped ball not swung at, but intentionally met with the bat and tapped slowly within the infield. A bunt or chop will result in an out.

• **Dead Ball Territory:** If the ball is in play and is overthrown into dead ball territory, then all runners will be awarded two (2) bases based on the positions of the runners at the time the ball left the fielder’s hand. If two runners are between the same bases, the award is based on the position of the lead runner. Any fair hit ball that rolls into dead ball territory will be a dead ball. At this point the umpire will declare the ball dead, and award the two bases. Any caught foul fly ball that is unintentionally carried into dead ball territory will result in a one base award. If the act is ruled intentional, the umpire will award 2 bases.

• The batting team is responsible for retrieving all balls hit out of the playing area (over the fence, foul territory, etc.)

**COED MODIFICATIONS**

Each team will consist of 10 players on the field at one time. A minimum of 7 players are required to start the game.

• No more than 5 players of each gender may play in the field at a time. The pitcher and catcher combination must include a male and female. There is no restriction on the number of males or females in the infield or outfield.

• **ALTERNATING LINEUP:** The batting order must alternate between male and female batters. If a team is playing with an uneven number of each gender, players will need to bat more than once throughout the batting order to be able to alternate male and female.
  - Example - Batting order for a team with 5 males and 3 females: i. Male 1, Female 1, Male 2, Female 2, Male 3, Female 3, Male 4, Female 1, Male 5, Female 2

**WALKED MALE BATTER:** A male batter who receives a walk (intentional or none intentional) is automatically awarded second base. With 2 outs, the female batter following the male batter who was walked may choose to bat or be automatically awarded first base.
