INTRODUCTION

As an integral part of the overall Texas A&M University – Corpus Christi Recreational Sports program, the Sport Club Program is intended to serve individual interests and provide different instructional, recreational and competitive activities for the campus community. Sport clubs may vary in focus and programming since the members are active participants in the leadership and decision making process of club activities. Sport clubs are designed to accept anyone at any level and provide recreation and/or competition, depending on the desires of the membership. Students are responsible for the administration of the club, including fundraising activities, special events and the opportunity to compete.

This handbook has been prepared to assist club officers in the administration of their organization. The officers of each club are expected to become familiar with this handbook. Items not specifically covered in this handbook may be covered in the Recognized Student Organization and Advisor Handbook. Situations involving sport club business or any activities that are not covered in either handbook should be referred to the Recreational Sports office. Information in this handbook is subject to change. New policies, procedures or additions/changes to existing policies or procedures made due to unforeseen circumstances during the academic year shall be deemed official even though not printed in this publication. These additions/changes will be available on the Sport Club website and distributed through e-mail to the club presidents.

PURPOSE OF THE SPORT CLUB PROGRAM

The Sport Club Program provides opportunity for student participation in a variety of physical, recreational and athletic activities and gives students opportunities to engage in the activity of their choice at various levels. Sport clubs contribute to the development of student leadership, provide a common bond between individuals and promote individual wellness. While Recreational Sports assists in the development and growth of sport clubs, the emphasis of the program is on student leadership and involvement. The existence of each sport club and the degree, to which they are successful, is dependent upon student interest and leadership.

DEFINITION OF A SPORT CLUB

A Sport Club is defined as a recognized student organization that is a separate entity of the university, whose membership includes students, faculty and staff. Sport clubs exist to promote and develop interest in a particular sport or recreational activity with or without competition against other institutions of higher education. Sport clubs are strictly voluntary. Involvement in a sport club enhances the student’s college experience and contributes to the student’s overall education.

ROLE OF THE SPORT CLUB COORDINATOR

The Sport Club Coordinator serves primarily as an advisor and resource person for sport club leaders and is available to assist student representatives with club business. Acting as a liaison between the clubs and the university, the Sport Club Coordinator is responsible to the Assistant Director - Programs in administering the program. Located in the Dugan Wellness Center, the Sport Club Coordinator maintains records of participants, schedules and results of programs and competitions; administers the sport club’s budgets; promotes and advertises the sport club program and assists each sport club with the planning and implementation of events, tournaments and matches.

CATEGORIES OF SPORT CLUBS

The following categories exist to classify each individual Sport Club

1. Instructional – clubs who meet to learn the skills that are associated with their sport and practice throughout the year. Their main purpose or goal is focusing on the skill of the sport and promoting it.

2. Recreational – clubs who want to meet socially to promote their particular interest or sport. The main purpose for these clubs is to have fun while participating in a recreational activity.
3. Competitive – clubs who meet and practice regularly to prepare for games, tournaments, matches at the local, regional and national level. These clubs usually are affiliated with regional or national organizations and travel for their competitions.

SAFETY PROCEDURES

Texas A&M University-Corpus Christi and Recreational Sports do NOT provide accident insurance for club members and CANNOT be held responsible for injuries incurred through their voluntary participation in sport club activities. Texas A&M University-Corpus Christi strongly recommends that all club members have a personal medical insurance plan in effect during the period of club-related activity.

To provide a safe and positive recreational experience for all participants, it is necessary to anticipate situations to prevent accidents and injuries. It is strongly recommended that every sport club develop, implement and practice the following safety policies:

1. Sport club officers, club members, coaches and instructors should emphasize safety during all club-related activities.

2. Encourage all club members to have a physical examination prior to participation. The national governing bodies of some sports offer supplemental accident and liability insurance for members. Check to see if your activity provides or offers this type of coverage. Information about the university offered health insurance can be found here.

3. Review the club’s emergency procedures with the Recreational Sports office.

4. Inspect fields and facilities prior to every practice session, game or special event. Report unsafe conditions to the proper managing authority. Do not use facilities or equipment if they appear unsafe.

5. Have at least two members certified in First Aid and CPR available at club practices, games, and events.

6. Submit an incident/injury report for injuries that occur to club members during club events or practices. These reports must be submitted to the Recreational Sports office within 24 hours after the occurrence. Incident/Injury Report form is available in the Recreational Sports office or online.

7. Swim Tests: All club members involved in an aquatic activity should pass a swimming test prior to becoming accepted into the club. Arrangements for pool time for testing and suggestions for the appropriate swim test to be administered should be discussed with the Recreational Sports office.

8. Have a first aid kit available at all club practices and competitions.

**Watercraft**

The following guidelines are recommended for clubs who operate watercraft as part of their club’s activity:

1. Watercraft drivers must be 18 years of age or older.
2. Watercraft drivers must change every 2 hours.
3. No alcoholic beverages are allowed in the boat at any time.
4. Watercraft drivers must demonstrate competence in handling watercraft.
5. Watercraft may be on the water ½ hour past dawn until ½ hour before dusk.
6. A first aid kit must be kept in the watercraft.
7. All persons in the boat must wear a personal flotation device at all times.
8. Watercraft used by a sport club must carry liability insurance and should be on file in the Recreational Sports office prior to use.
ELIGIBILITY

All guidelines governing the Sport Club Program are written to protect the rights and safety of each participant and are designed to provide equal opportunity for all persons eligible to participate in club activities.

Membership

1. All currently enrolled Texas A&M University-Corpus Christi undergraduate and graduate students currently enrolled in academic course(s) paying the recreation fee are eligible to be a member of a sport club. Members must recognize that only a certain number can realistically engage in competition. Only student members of a club may hold an office in the club and vote on club matters. Some clubs may have participation restrictions due to conference and/or league affiliation.

2. Members of the faculty/staff may apply for associate club membership. Faculty/staff club associate members may not hold an office within the club, nor vote on club matters or in elections. All associate members must purchase a Recreational Sports membership. Information about purchasing a Recreational Sports membership can be found on the Recreational Sports Website.

3. Clubs may determine their own membership rules in addition to the ones above, but they must be free of restrictions based on race, color, sexual orientation, gender, religion, age, national origin or disability.

4. Each member and coach (including associate members) of a sport club must complete a membership packet including a university waiver, emergency contact and participant registration form (all must be on file with the Recreational Sports office), pay club dues (if required) and be listed on the club’s membership roster before he/she is recognized as an official member of the sport club.

5. Athletic scholarships are not awarded by Recreational Sports for sport club participation.

6. Intercollegiate athletes are eligible for membership in a sport club without restrictions due to intercollegiate team affiliation except by any regulations set by the NCAA and/or the varsity team.

Certification of Eligibility for Competition

1. All sport club teams must abide by Conference, Regional, State, NIRSA or NCAA rules and regulations in competition that has such guidelines.

2. Teams competing in NIRSA Sport Club tournaments must meet the eligibility requirements set forth by NIRSA. These requirements can be obtained from the Recreational Sports Office.

CLUB STATUS

The sport club program is structured with two types of club membership status:

I. Conditional Membership
II. Full Membership

Conditional Membership

Conditional membership is designated for clubs in their first year of recognition within the Sport Club program. Conditional clubs will have one year to demonstrate stability in terms of club administration, student interest and support in terms of having the appropriate number of active club members. Financial assistance from Recreational Sports is NOT available for conditional clubs. Upon successful completion of conditional status, a club will automatically be elevated to the Full Membership level.
Criteria
- Ability to maintain a membership of at least 10 active student members.
- Demonstrate effective club leadership
- Compliance with all paperwork and meeting requirements
- Complete financial self-support

Full Membership
Full membership is designated for all clubs not under the conditional status. Clubs submitting a budget proposal according to the guidelines set forth in the Budget Appropriation section may be able to receive some funding.

Criteria
- Demonstrated effective club leadership for one year or longer
- Primarily self-supporting organization with most funding raised by the club
- Demonstrated commitment to Recreational Sports and Texas A&M University – Corpus Christi by following prescribed guidelines, policies and rules.
- Compliance with all paperwork and meeting requirements.

Maintaining Full Membership
In addition to the criteria listed above, a club’s continued Full Membership status depends on the purpose, goals, and longevity of the club. The Recreational Sports office will review each club’s status at the end of each spring semester.

To retain recognition, the club must meet the following general requirements:

1. Student interest in the club was demonstrated by a membership of ten active members.
2. The club was represented at all required events.
3. The club’s purpose and activity continued to be consistent with the Recreational Sports’ purpose and philosophy.
4. Compliant with all University and Sport Club guidelines, policies and rules.
5. An accurate inventory of equipment was maintained and kept on file in the Sport Club office. All club equipment was maintained, issued, accounted for and stored adequately.
6. The Recreational Sports office continues to have the necessary resources to supervise the club and its activities.
7. All appropriate forms were filed as directed at the specified time during the year.
8. The club completed at least 40 hours of community service during the academic year.

BECOMING A RECOGNIZED SPORT CLUB

Any group of students with a collective interest in a sport or activity has the ability to start a new sport club. The process for doing so is outlined in the steps below. If you have any questions, comments, or concerns with the process, please feel free to contact the Recreational Sports office for assistance.

1. Ensure that students are willing to serve as “officers” for the club. Officers are the main leadership of the club. The required officers are President, Vice-President, Safety Officer and Treasurer.
2. Secure a faculty or staff member to serve as an advisor to the club.
3. Create a constitution and bylaws for the club.
4. Recruit at least 10 interested participants by promoting and conducting an informational meeting on campus.
5. The new club will be required to meet on a regular basis with the Sport Club Coordinator to discuss the progress and status of the club.
6. The club will be under evaluation for an entire year in regards to meeting attendance, paperwork compliance, and following of policies and procedures.
7. Clubs must also meet all UCSO requirements to receive recognition as a student organization.

8. University funding is unavailable to clubs during their 1 year Conditional Period.

THE COACH’S/INSTRUCTOR’S ROLE AND RESPONSIBILITY

Securing a Coach/Instructor

If a club wants to use the services of a coach/instructor, a club officer will submit a coach/instructor information form to the Recreational Sports office prior to the beginning of the semester for which they will serve.

These items should be submitted prior to the time when the individual serves in their capacity. The coach or instructor is neither an employee of the Department of Recreational Sports nor Texas A&M University – Corpus Christi.

Coach/Instructor Conduct

Although coaches/instructors are not employees of the University, they will be expected to adhere to all University policies.

Responsibilities

1. It is recommended that all coaches possess personal medical and liability insurance.

2. The coach must be aware of and follow all University and departmental rules, policies and guidelines relative to the Sport Club program.

3. The coach should restrict his/her contributions to coaching and refrain from activities involved in the club’s management. A sport club is first and foremost a student organization and, as such, the student representative (not the coach) must serve as the liaison between the sport club and the sport club Staff. The philosophy and key to the success of the sport club program has been the continued emphasis placed on student leadership and participation.

4. Club business matters (hosting tournaments, submitting forms, equipment requests) must be handled by the student members with the coach serving in an assisting capacity. Club activities and events should be a team effort and not left solely to the coach or student representatives.

5. Participation in the Sport Club program is completely voluntary; therefore monetary rewards or scholarships shall not be promised or given to any member or prospective member by the coach.

6. Coaches must help ensure good sportsmanship at all times. Individuals must always conduct themselves in a manner that does not detract from the reputation of the University. This includes behavior in game situations, contact with other teams and even interaction with staff. When involved in off-campus events or when traveling, be aware that the club is still representing the University.

7. Coaches should first speak with the club president prior to contacting the Sport Club Coordinator. Coaches should speak with the Sport Club Coordinator prior to making appointments with other University faculty or staff.

8. The Sport Club staff has the right and obligation to protect the club, and if, in the staff’s opinion, the coach is not working in the best interests of the club, the coach will be relieved of his/her coaching duties.

9. Coaches must be recommended by club members and must submit a new information form each academic year in order to coach. Continuation of coaching status is not automatic.
10. Money allocated from the Recreational Sports budget or from team dues/donations shall not be used to pay coaches. All coaches must be hired on as volunteers.

Coaches/Instructors must purchase a Recreational Sports membership or punch pass in order to access all Recreational Sports facilities. Information about purchasing a membership or punch pass can be found on the Recreational Sports website.

THE SPORT CLUB COUNCIL

The Texas A&M University – Corpus Christi Sport Club Council is a student advisory group that assists the Recreational Sports office in administering the Sport Club program.

Duties

1. Serve as an appeal board and decide on club appeals regarding decisions made by the sport club staff.

2. Review annual budget requests for the following year and make initial recommendations concerning allocation amounts.

3. Make recommendations regarding revisions to the Sport Club Manual for the following year.

4. Make recommendations, offer advice and assist in the decision making process in other matters when requested to do so by the sport club staff.

Membership

1. The Sport Club Coordinator and all Club Presidents.

2. The Sport Club Coordinator will be non-voting on the council, but may take part in discussion.

3. The Sport Club Coordinator or his/her delegate will serve as chairperson for regular meetings. For appeals, the chair will be rotated among club presidents.

4. Club presidents may designate a representative from their club to serve in their place.

5. In cases of tie votes in regular meetings, the Sport Club Coordinator or their delegate will vote to break the tie.

SPORT CLUB RIGHTS AND EXPECTATIONS

Each sport club has the obligation to have the approval of the Recreational Sports office prior to acting on items, issues or ideas that are not covered in this handbook. If a club chooses to act independently, they risk losing recognition.

STANDARDS OF CONDUCT

The basic concept underlying the University’s code of conduct is that students, by enrolling in the University, assume an obligation to conduct themselves and their organizations in a manner compatible with the University’s function as an educational institution. Individuals must always conduct themselves in a manner that does not detract from the reputation of the University. This includes behavior in game situations as well as contact with other teams and event staff. When involved in off-campus events or when traveling, be aware that the Club is still representing the University and bound by the Student Code of Conduct.

DISCIPLINE PROCESS

Violation of or non-compliance with University rules and procedures, campus regulations, Sport Club procedures, or standards of conduct may result in loss of membership or other disciplinary action against
the sport club involved. The discipline process has been developed to assist club leaders in correcting mistakes that have caused problems for the club and the University.

**Minor Infractions** (examples would be non-attendance at meetings or failure to submit required forms on time)

1. First Infraction – if the violation is the club’s first during the current academic year, and the club is not on probation from violations committed the previous year, the following steps are taken:
   a. The club is placed on probation for a designated period of time or until the club corrects the situation.
   b. The sport club staff will notify the club stating:
      - The reason for the probation
      - The length of the probationary period
      - The possible consequences the club will face if additional infractions occur

2. Two or more Minor Infractions
   a. The club’s funds may be frozen and/or a part of the club’s allocation may be forfeited.
   b. The sport club staff may take any action deemed appropriate, including determining the amount of allocation forfeited by the club.
   c. The club is notified in writing.
   d. The club is notified of their right to appeal.

**Major Infractions** (these include club actions that are outside of acceptable standards of conduct or are in violation of the Sport Club or University’s rules, guidelines or Code of Conduct)

1. Examples of major infractions include, but are not limited to, the following situations:
   a. Displaying conduct that is incompatible with the University’s function as an educational institution and the purpose of the Sport Club program (i.e. unsportsmanlike conduct toward officials or opponents or disruptive behavior on trips).
   b. Misusing club funds and/or abusive use of club funds.
   c. Allowing ineligible individuals to participate in club activities.
   d. Compromising the safety of club members while traveling.
   e. Transporting and/or consuming alcohol or illegal substances while on official club trips.

2. For all major infractions:
   a. A meeting with the club officers and Recreational Sports staff is scheduled.
   b. Input from appropriate administrators and staff members is solicited when appropriate.
   c. The Sport Club and/or the Assistant Director – Programs determine(s) the disciplinary action to be taken.
   d. The club is notified in writing of the decision and is advised of their right to appeal the decision.
Disciplinary Actions

Possible disciplinary actions that may be taken against a club for infractions include:

1. Probation
2. Frozen funds
3. Loss of funding
4. Loss of travel privileges
5. Loss of facility reservations
6. Loss of Club recognition

Possible disciplinary actions that may be taken against an individual club member include:

1. Suspension from participating with the club
2. Removal from facility
3. Reimbursement of damages to facility
4. Removal from Sport Club program
5. Suspension of privileges from Recreational Sports programs and facilities

Notification of disciplinary action against a club is e-mailed to the club’s president. Notification of action taken against an individual will be sent by e-mail to the affected individual. In the case of extreme misconduct, individuals will be referred to Judicial Affairs and organizations will be referred to the Student Organization Conduct Process. Cases of sexual misconduct and other alleged violations when gender based may be processed under the Student Sexual Misconduct Process in communication/conjunction with the Title IX coordinator, when appropriate.

APPEAL PROCESS

The appeal process exists to insure that all disciplinary actions taken against club organizations are equitable. The group to whom a disciplinary decision is appealed will review the previous decision and rule on its appropriateness given the infraction(s) committed. With the concept of equity in mind, be forewarned that appeal of a disciplinary decision that seems extreme to the club could result in an even stiffer penalty being levied by the group who hears the appeal. To file an appeal, follow the appropriate steps listed below:

1. Decisions of the Sport Club Coordinator. Minor infractions may be appealed to the Sport Club Council by following these procedures:
   a. Written notification from the club representative to the Sport Club Coordinator indicating the club’s reason for the appeal and any circumstances related to the situation that caused the infraction must be submitted within 5 business days after the notification is sent by e-mail to the club president.
   b. A hearing will be scheduled with the Sport Club Council. Copies of the club’s appeal statement will be distributed to the Council members. Upon hearing the case, the Council will uphold, reject or modify the Assistant Director’s decision.
   c. Decisions by the Sport Club Council are final.
2. Decisions regarding loss of sponsorship or major infractions may be appealed to the Recreational Sports Committee as outlined below:
   
a. Written notification from the club representative to the Sport Club Coordinator indicating the club’s reason for the appeal and any circumstances related to the situation that caused the infraction must be submitted within 5 business days after the notification is sent by e-mail to the club president.
   
b. A hearing will be scheduled with the Recreational Sports Committee. Copies of the club’s appeal statement and any relevant information will be distributed to the members. Upon hearing the case, the Committee will uphold, reject or modify the Sport Club Coordinator’s decision.
   
c. The decision of the Recreational Sports Committee is final.

THE RECREATIONAL SPORTS OFFICE

Sport Club Coordinator

The Sport Club Coordinator will provide assistance in planning the club’s activities and scheduling competitions with other universities’ sport clubs and teams. Prior approval of club activities including travel, events, publicity, budget expenditures and facility reservations is required. The Sport Club Coordinator is available for consultation regarding any aspect of your organization. If the Sport Club Coordinator cannot assist the club, the club will be referred to an office that can. The responsibility to seek assistance of the Sport Club Coordinator is that of the student representatives. Club representatives should schedule an appointment with the Sport Club Coordinator to assure needed attention is provided. Call or e-mail at least 24 hours in advance to make an appointment.

Mail Collection

Mail received for each club is available for pickup in Dugan Wellness Center 109. Any letters, phone messages, or notes regarding the club that come to Recreational Sports office will be passed along to the club. Letters from prospective students interested in Texas A&M University – Corpus Christi and in a particular sport should be answered by the club secretary, student representative or a club member appointed to respond to these letters. The Recreational Sports office will type the responses if legible drafts are submitted. Each club will be responsible for the postage to mail out official club material.

Mailing Address

The mailing address that should be used for all club correspondence is:

   Club Name at Texas A&M University – Corpus Christi
   Recreational Sports
   6300 Ocean Drive, Unit 5713
   Corpus Christi, TX 78412-5713

Telephone Procedures

Long distance phone calls concerning a club’s business (competition, equipment order, etc.) may be made in the Recreational Sports office. The Sport Club staff will assist in placing the calls for the club.

Typing and Duplication Services

Typing and duplication services are available through the Recreational Sports office. All requested work must be approved by the Sport Club Coordinator and at least five working days’ notice should be given. The services will be done if the work schedule of staff allows time and if the original copy is well written and legible. Clubs may request duplication services from the Recreational Sports office. The availability of this service is based upon copier load and amount to be copied. Clubs will be allotted a fixed amount of
white paper for duplication each academic year. Once a club has used its allocation, the Sport Club Coordinator will charge the club at a rate equal to the cost of the paper per copy.

FACILITY RESERVATIONS

Sport clubs may request the use of Recreational Sports facilities for activities. Requests must be made through and approved by the Sport Club Coordinator through coordination with the Assistant Director – Facilities. Clubs must complete and submit the Facility Request form to the Recreational Sports office. The priority deadlines are as follows: April 1st for Fall, October 1st for Spring and March 1 for Summer. All facilities are shared which can make availability somewhat limited. Clubs will be notified of the dates and times that are available to them once confirmed. Clubs wanting to reserve meeting space in other spaces on campus should use the room reservation process through the University portal.

Expectations When Using University Facilities

Any time a club has reserved a facility, it must be used. If the club cancels a practice, game, or any reservation, the club representative must contact Recreational Sports staff at least 24 hours before the reservation is in effect. Failure to use a reserved area may result in the club losing their reserved time and could impact the ability to reserve facilities for future use. Clubs are responsible for cleanup of all sites after use. Misuse of equipment and facilities (including not using reserved space, and/or neglect in following facility-use procedures) as well as inappropriate conduct and actions while participating in any Sport Club related activity, will jeopardize the club’s continued recognition. Alcoholic beverages are not permitted at any Recreational Sports facility. It is the club’s responsibility to monitor all club events (including the actions of spectators) to assure that alcoholic beverages are not on site. Games may be delayed until the problem is corrected or may be canceled if the situation is not addressed.

Any club hosting an event at university facilities may be required to have a Sport Club Supervisor to be onsite during the event. This supervisor will be responsible for making sure that clubs follow proper Club and University processes. Clubs may be required to cover the cost of having a Sport Club Supervisor at their events.

CLUB FINANCES

Funding

Because sport clubs may receive limited funding from the University, each sport club should develop a revenue plan to fund their activities. Sport club funds must be used for the benefit of the entire group. Revenue for sport clubs will normally come from the following sources:

1. Membership dues
2. Fundraising activities
3. Budget allocation from Recreational Sports
4. Donations from individuals and corporations

All fund raising activities (whether on or off-campus) require specific prior approval from the UCSO office. A fundraising request form must be completed and submitted through OrgSync for review and approval at least 5 business days prior to the event.

Dues

It is recommended that each club collect dues each semester to assist in offsetting club costs.

Appropriate/Inappropriate Expenditures for University Funds
All expenditures for sport clubs using University funds must have prior approval of the Recreational Sports Office. Clubs not receiving prior approval will not be reimbursed from university funds to cover costs. Possible expenditures for a club are: equipment, travel, officials, entry fees, dues, t-shirts, and uniforms.

Fundraising

All fund raising activities (whether on or off-campus) require specific prior approval from the UCSO office. A fundraising request form must be completed and submitted through OrgSync for review and approval at least 5 business days prior to the event.

Sport Clubs should refer to the Recognized Student Organization Handbook for additional information on proper fundraising protocols.

Donations

All donations from corporations must be approved by the office of Institutional Advancement prior to solicitation. Clubs should complete the Fundraising/Solicitation Proposal form at least 30 days prior to solicitation.

THE BUDGET APPROPRIATION PROCESS

Budget requests are submitted by clubs and forwarded for review to the Sport Club Council in early spring. The council’s recommendations are then forwarded to the Sport Club Coordinator. Allocations are finalized during the summer and the final amount is announced to the club in September. Budget requests must be balanced when submitted.

General Information

Budget requests are for the following academic year. Base projected budgets on the best information available – what the club has done during the current year. If major changes are expected in the future, indicate why. Attach as much supporting documentation as is feasible. Make requests self-explanatory. Each club’s previous year budget request is available for review.

Completing the Budget Request Form

1. Club Operating Expenses
   List expenses associated with the daily operation of the club. Include expenses incurred in recruiting new members, communicating with the membership, publicity and any other costs associated with maintaining the club.

2. Competition Expenses
   Include all expenses to participate in these contests, such as League/Association dues, officials/judges costs and facility rental fees.

Timeline
1. Each club submits a budget request to the Recreational Sports office. Budget requests will be submitted in early spring.

2. Each request is reviewed and analyzed by the Sport Club Council to determine each club’s adjusted request. A presentation is scheduled mid-Spring semester with the Sport Club Council for each club submitting a budget request. At that meeting, the club will make an oral presentation of their budget for the upcoming year. Inappropriate and unjustified expenditures will be deducted from the original request.

3. The Sport Club Council will use the following criteria in determining the recommended funding level:
   a. Number of participants and dues charged
   b. Fundraising activities
   c. Costs associated with the club
   d. Anticipated needs
   e. Participation in Sport Club Program

4. The recommended funding levels will then be forwarded to the Sport Club Coordinator who, in consultation with the Assistant Director - Programs, will make the final budget allocations using above recommendations and criteria. The club will then be notified of their allocation for the upcoming year.

PURCHASING PROCEDURES
If the club desires to purchase items for club use, arrange a meeting with the Sport Club Coordinator to seek approval and process the order. All purchases must first receive approval of the Sport Club Coordinator. Do not purchase any item before meeting with staff to have proper purchasing procedures outlined. It takes time to process purchase orders; seek approval well ahead of the date an item is need. There are several ways in which goods/services can be purchased. All equipment purchases become the property of Texas A&M University – Corpus Christi and the Department of Recreational Sports.

Purchase Order
To obtain goods/services through a purchase order the following steps must be used:
1. Complete a Purchase Request form including the club president and treasurer’s signature.
2. Attach the price quote including the vendor’s name, date, items requested with serial/model number, and amount of purchase (all new vendors must submit a W-9 form).
3. Submit the form to the Sport Club Coordinator.
4. A purchasing request will be created.
5. A purchase order will then be sent to the vendor from the University.
6. The product will then be shipped to the Recreational Sports office and the club will be notified upon arrival.

Pre-Payment

Pre-Payment is used to purchase goods/services for which payment is needed prior to receiving them.

1. Complete a Purchase Request form including the club president and treasurer’s signature.
2. Attach the price quote including the vendor’s name, date, items requested with serial/model number, and amount of purchase (all new vendors must submit a W-9 form).
3. Submit the form to the Sport Club Coordinator.
4. A purchasing request will be created.
5. A check will be mailed to the vendor directly from the University.
6. The product will then be shipped to the Recreational Sports office and the club will be notified upon arrival.

Reimbursement Request

Reimbursement requests are used to reimburse clubs for costs incurred by members.

1. Complete the reimbursement request form including the club president and treasurer’s signature.
2. Attach all original receipts taped to a sheet of paper.
3. Submit the form within 14 days to the Sport Club Coordinator.
4. Check will be created and returned to the Recreational Sports office for pickup within 3 weeks.

All requests for reimbursement must be submitted within fourteen (14) days of the purchase/trip, or it will not be reimbursed. Failure to submit the proper form will delay in the reimbursement process.

EQUIPMENT AND STORAGE

All equipment should be kept in good working order. Any unsafe equipment should be reported (returned, if possible) to the Recreational Sports office immediately.

Limited storage space is provided for clubs to store their equipment. All clubs should return equipment to storage when not in use. For clubs that have a separate storage location, equipment need not be turned in to be stored in the Sport Club storage space.

To access the club’s storage, an approved officer should notify the facility attendant on duty that they would like to access their equipment in the Sport Club closet. The attendant will then accompany the officer to the closet while the club retrieves their equipment. Upon retrieving the equipment, the attendant will secure the closet until the club wishes to return the equipment. To return the equipment, the club will notify a facility attendant of the need to return their equipment. The attendant will then open the closet to allow the return of equipment and then secure the closet.

Inventory

An equipment inventory form for each club is kept on file in the Recreational Sports office. The Sport Club staff will monitor the equipment inventory list. The club representative is expected to conduct a thorough, hands-on inventory and complete the inventory form at the end of each spring semester. This includes jerseys, balls, pads, boats, and motors.
